

LifeQuest Church Wedding Policy

The following is required in order for a LifeQuest Church Pastor to perform a wedding:

1. The bride and groom must go through pre-marital counseling and meet any special requirements of the counselor. In many cases, a counselor will ask that a couple read a particular book. You will need to obtain a letter from the counselor stating that you have completed the counseling program. Counseling is available through LifeQuest Church, pending our counselor's availability. You will be partnered with a counselor.
2. At least 1-2 meetings with the Pastor prior to the ceremony to ensure details have been covered.
3. The pastor can only perform weddings in full accordance with the law. Please do not overlook the necessity for careful compliance. The wedding cannot take place without a marriage license. The license is to be given to the pastor at the rehearsal.
